

## **Another Thank You**

Following her recent resignation from the Neighbourhood Plan Task Group, we would like to extend a most heartfelt thank you from everyone to Judy Alloway, for the many many hours of work and huge effort put into getting the Kingston Neighbourhood Plan to the draft Regulation 14 stage. Much appreciated, and we hope Judy enjoys all the extra free time she will now have – very well deserved!

## **Neighbourhood Plan Update**

On that note, work is now continuing to move the Kingston Neighbourhood Plan forward to the next stage (Regulation 15). The Task Group is currently working on formulating replies to each response we received. As there were over 100, we hope you appreciate this may take us some time, so it's a case of "Watch this space"! Meantime, many thanks to all of you who responded.

Since the November Newsletter went out, some corrections have been made to the table of responses, so here is the amended version with apologies.
